

UACHTARÁN NA HÉIREANN  
(PRESIDENT OF IRELAND)

BAILE ÁTHA CLIATH  
(DUBLIN)

10th September, 1963

Dear Professor,

I received your letter of  
the 14th of August and your memorandum.

I am very grateful, but my  
position as President precludes me from  
expressing any views on your interesting  
thesis and proposal: statements on national  
policy are reserved as the prerogative of  
the Government. I have, accordingly, sent  
a copy of your letter and memorandum to our  
Minister for External Affairs.

Sincerely yours,

*Eamon de Valera.*

Tirol,  
Austria.
