 c/o Prof. K. Lapter
 Sandomierska 21 m, 12 Warschau, Polen.

Dear Prof. Lapter:

Enclosed you find a copy of my paper which I wrote for the 16th Pugwash Conference. The original typescript was sent to Rotblat on Saturday Aug. 27th. I do not know whether the mimeographs will be made by the continuing committee in London or by the local commission at Zopot; I am forwarding this copy to you asking you to help its distribution. Thank you very much.

Unfortunately I cannot come to Zopot and shall send Robert Jungk as my deputy. He is informed about my papers and will also submit one. ~~I am enclosing a copy of Dr. Jungk's paper too.~~

Wishing you every good success for the first big pugwash
