ORCID

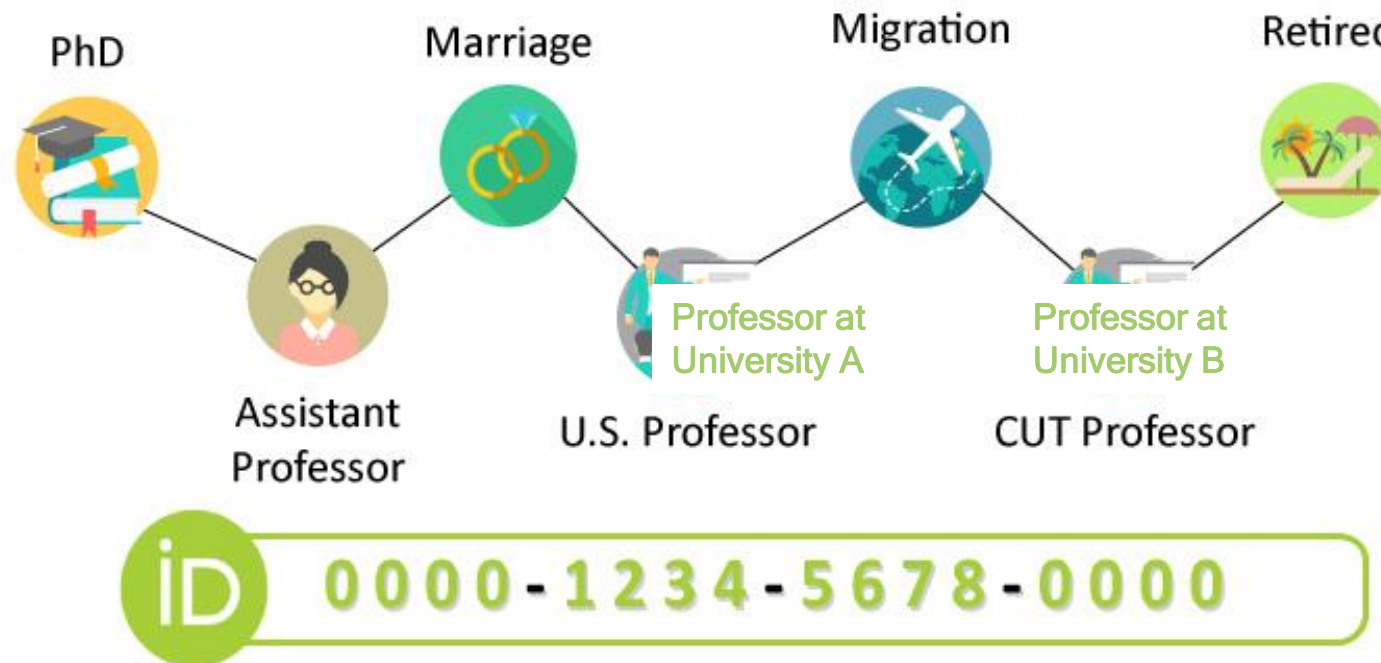

- **ORCID**[®] (Open Researcher & Contributor ID) is an international, interdisciplinary, open and non-profit organization. Its main goal is to provide a unique identification for researchers.
- The **ORCID iD** is a nonproprietary 16-digit code to uniquely identify scientific and other academic authors and contributors. It aims to classify authorship and facilitate name disambiguation.

Your ORCID iD is your persistent identifier

ORCID

ORCID connects all relevant stakeholders

How Organizations and Researchers Benefit

INSTITUTIONS

- Save time and reduce errors with automated information-sharing and cross-system interoperability
- Manage your organization name and your researchers' connections with it
- Maintain links with your researchers - past, present, and future

RESEARCHERS

- Improve recognition and discoverability of their research
- Spend more time doing research, less time managing it
- Control and manage a trusted and easily shareable record of their research activities and affiliations – for free

See full infography: <https://doi.org/10.23640/07243.7653221.v1>

Add Works via Import BIBTEX

The screenshot shows a web interface for managing works. At the top, there is a header bar with 'Works (1 of 1)' and buttons for '+ Add works', 'Export works', and 'Sort'. Below this, a 'Import BibTeX' section is highlighted with a green border. It contains the text 'Import citations from BibTeX (.bib) files, including files exported from Google Scholar. More information on importing BibTeX files.' and a 'Hide import BibTeX' button. A dropdown menu is open over the 'Import BibTeX' button, listing options: 'Search & link', 'Add ArXiv ID', 'Add DOI', 'Add PubMed ID', 'Import BibTeX' (highlighted in green), and 'Add manually'. To the right of the dropdown, there are 'Cancel' and 'Choose file' buttons. Below the 'Import BibTeX' section, there are icons for 'COMBINE', 'DELETE', and a group of icons for sharing and locking. A list item 'Social Ecology' is visible, with '2016 | book' below it.

How to set up an ORCID record via FIS/CRIS (e.g. u:cris)

Step 1: login into u:cris

The screenshot shows the 'My settings' page for Francesca Conselvan. The 'Language Settings' section is highlighted, with a yellow box around the 'Default submission language' dropdown menu, which is currently set to 'English'. A dashed yellow arrow points from this box to the right, indicating the next step in the process. Other sections visible include 'Person related to the u:cris-Account', 'Roles', and 'Usage analytics'. A 'Save' button is located at the bottom of the page.

Step 2: link your u:cris profile with ORCID

The screenshot shows the 'Personal identification' page for Francesca Conselvan. The 'ORCID' section is highlighted with a yellow box, containing a green ORCID icon and the text 'Create or Connect your ORCID ID'. Other sections visible include 'Metadata', 'Overview', and 'History and comments'. The 'Personal identification' section contains fields for 'First name(s)', 'Last name*', 'Gender*', 'Date of birth', and 'Nationality'. The 'Title' field is filled with 'Dott.ssa Dr. Dott.ssa mag., MAS'. There are also fields for 'Start date as an independent researcher' and 'Retirement date'.
